Why Choose the Yearly VIP Plan?

When you enroll at the **Yearly VIP Membership Level + Affiliate Fee** for **\$299.97**, you unlock an **extra income stream**:

- Earn **up to \$10 extra** on *every person* in your enroller tree who also chooses the Yearly VIP plan
- VIP Membership Bonuses pay across **3 Generations**:
 - **1st Generation**: \$10
 - **2nd Generation**: \$5
 - **3rd Generation**: \$5

Example:

If you're a VIP Member and someone under you (even if indirectly) upgrades to Yearly VIP, you earn the bonus — **even if you didn't directly enroll them**, as long as you're the first VIP upline.

Important:

If *you* are **not** a VIP Member and you enroll someone who chooses VIP, that bonus **goes to your nearest upline VIP** — not you. VIP Membership Bonuses are paid **every Wednesday** along with Coded Generational Fast Start Commissions.
