

## HOW TO GET STARTED

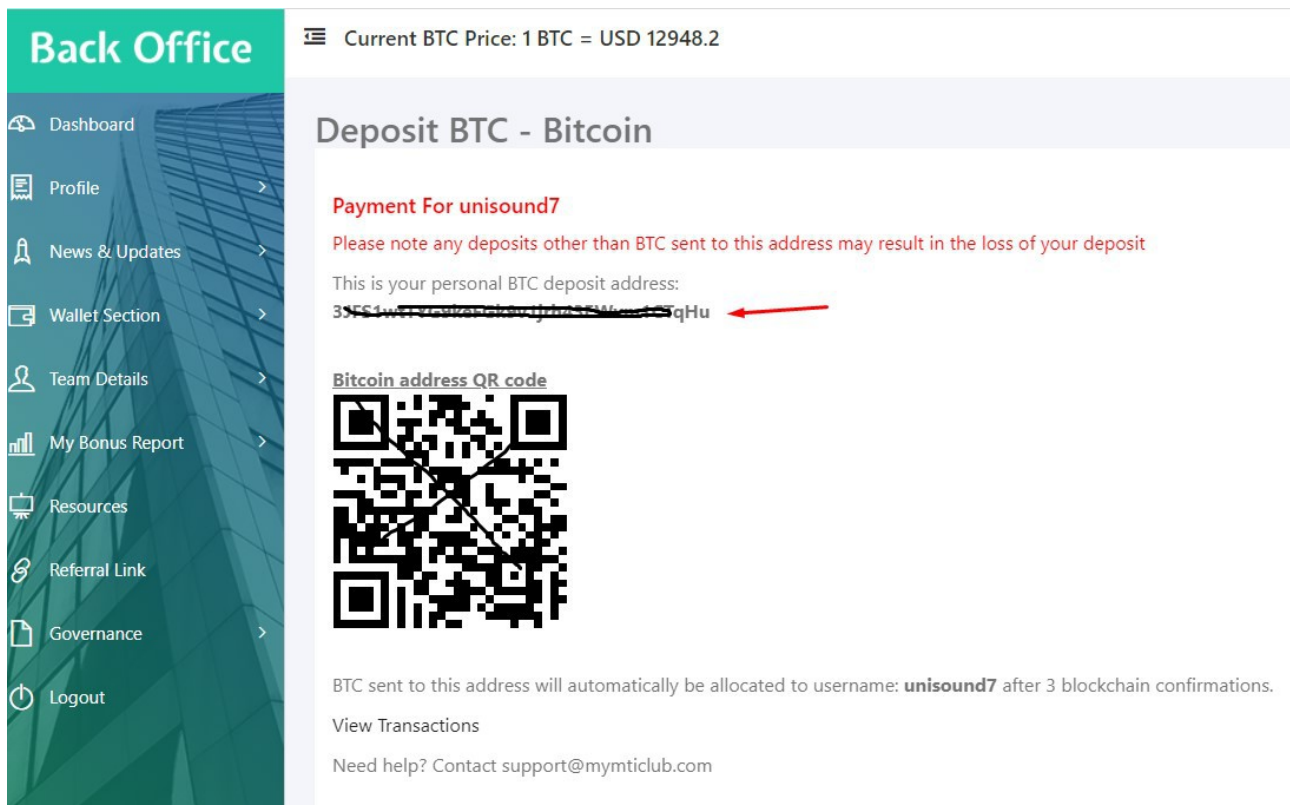

### 1. Sign up

Ask the person who introduced you for the correct sign up / referral link for sign up.

You receive a registration confirmation in your email-inbox after sign up.

### 2. Fund your account

The screenshot displays the 'Back Office' interface. On the left is a teal sidebar menu with options: Dashboard, Profile, News &amp; Updates, Wallet Section (highlighted with a red box), Add Funds, Add Funds History, Pending Bonuses, Wallet Transaction History, P2P Fund Transfer, Internal Fund Transfer, and Fund Transfer History. The main content area has a light blue header with a hamburger menu icon and the text 'Current BTC Price: 1 BTC = USD 12948.2'. Below this is a section titled 'Deposit BTC - Bitcoin' which contains a red button labeled 'Generate New BTC Address'. A red arrow points from the 'Generate New BTC Address' button in the main area to the 'Add Funds' option in the sidebar menu.

Get your own unique BTC deposit address and **use only this address** to fund your account. Send the funds from your preferred BTC wallet (for example Coinbase or other).

Deposit minimum \$100

Deposit minimum \$200 to receive binary bonuses

If you don't fund your account within 7 days your account will be deleted.
